EXPERIENCE

2026 - Present SERIES X CAPITAL (Frontier Tech & Infrastructure)

San Francisco, USA

Strategic Marketing Advisor (Fractional)

- Advising a VC firm and its portfolio companies on product marketing, positioning, and go-to-market strategy.

2026 ARCCOS GOLF (#1 AI Golf Tech Platform)

Stamford, USA

Interim CMO / SVP Product & Growth Marketing

- Led product marketing and GTM for Arccos Golf tracking hardware (Air and Smart Laser Rangefinder) and software ("Edge" AI-powered app), driving 6x launch-period sales and 2x 2026 e-commerce revenue Y/Y.
- Personally led product marketing strategy, including on-course research with golfers, directing a cross-functional team (brand, social, growth) to shape pricing, roadmap and go-to-market across B2C app and hardware.
- Established a Voice of Customer program combining interviews, surveys, NPS, support data and behavioral analytics, plus continuous accuracy and usability testing through alpha, beta and rollout, to influence roadmap priorities, UX, pricing and commercialization.
- Partnered with Product, Engineering, Finance and Data Science on positioning, packaging, lifecycle strategy, subscription pricing and TAM expansion, building an AI-native marketing operating model along the way.

2023 - 2025 TOUCHTUNES (#1 In-Venue Entertainment Network)

New York, USA

Chief Marketing Officer

- Implemented product marketing and customer research for digital jukebox and electronic darts businesses, including in-venue visits, directing brand and growth marketing roadmap, and GTM for two-sided platforms.
- Redefined brand and modernized product experience for a new generation of customers, launching a new consumer mobile app and tech stack that grew to 2.5MM MAU in year 1, while increasing ARPU.
- Led the TouchTunes / BullShooter industry Expo presence in Las Vegas, spanning trade show, product announcements and demo readiness, press engagement, competitor intelligence, and partner engagement.

2021 - 2023 COPILOT (AI-Assisted Car Shopping App)

Remote / Chicago, USA

Vice President Marketing

- Built and led CoPilot's product marketing function from ground up, defining target personas, Jobs-to-be-Done and roadmap priorities through customer research and behavioral analytics to ensure product-market fit.
- Repositioned CoPilot as AI-assisted car shopping platform, publishing unbiased pricing data and exposing dealer tactics, all of which helped build trust through transparency.
- Translated customer insights into product strategy, partnerships and GTM, including warranty and insurance upsells, while leading full-funnel brand, acquisition, and retention marketing.

2019 - 2021 YELP (Leading Local Services Marketplace)

San Francisco, USA

Sr Director, Head of Acquisition & Retention Marketing

- Co-led commercialization of new marketplace capabilities and local services categories, partnering across Product, Marketing, Sales, and Operations to launch and scale new content, UX, and promos.
- Led post-COVID brand repositioning based on qualitative and quantitative research, shifting to high-growth categories and geographies, expanding reach while addressing misperceptions, and helping to hit \$1BN revenue.
- Diversified and grew \$30MM paid ads 3x, aligning with revamped CRM to improve CPA and LTV.
- Redesigned SMB performance marketing and lifecycle around leading indicators of conversion, retention, and LTV, aligning Product, Marketing and Sales on customer readiness to maximize growth and ROI.

2017 - 2019 PULS (On-demand Technician Marketplace)

San Francisco, USA

Vice President Marketing

- Built marketing function and tech stack for home services marketplace, leading PMM and growth.
- Partnered with Product and Ops to expand the marketplace by testing and launching new cities and categories.

2013 - 2017 INGENIO (#1 Personal Advice Content Network and Marketplace)

San Francisco, USA

Vice President Marketing, Strategy & New Business

- Led product marketing, consumer growth, and partnerships for online expert marketplace.
- Integrated M&A deals, developing comms and UX to unlock \$MMs in revenue and cost synergies.

2010 - 2013 ELECTRONIC ARTS / EA (Global Video Game Developer)

London, UK / Redwood Shores, USA

Sr. Director, Marketing

- Personally drove go-to-market plans and execution for social and mobile versions of established mega-franchises (e.g. The Sims, Madden, FIFA), helping to build a \$BN digital business.
- Led integrated launches for games and live services, aligning Product, Marketing, Partnerships, PR and Analytics to develop scalable playbooks for large scale paid and organic acquisition, engagement, and retention.
- Defined EA's in-game marketing strategy, creating a new multi-billion impression ad platform.

2004 - 2010 EBAY (Global Online Marketplace)

San Jose, USA / Sydney, Australia

Sr Manager, Marketplace Efficiency → Sr Manager, Product, Programs & Partnerships → Head of Motors & New Ventures → Head of Internet & Relationship Mktg → MD & Country Manager → Global Mktg Director

- Championed eBay's Best Offer capability: led buyer/seller research and behavioral-economics simulation with a Stanford professor; partnered with PM and Trust & Safety to launch a new transaction type for big ticket items.
- Partnered with Trust & Safety to combat rampant fraud listings on eBay Motors; drove new tools, seller and buyer education, policy and product changes to remove fraud and restore trust.
- Launched eBay Motors Australia: market-entry strategy, positioning, and 360 ad campaign, plus direct sales channel, new bulk-upload software, third-party integration partners, and subscription pricing for dealers.
- Integrated eBay Australia's media buying, creative, onsite and email marketing teams for improved performance; co-led a \$10M brand campaign, applying multivariate ROI analysis; tested local vs. centralized org design.
- P&L owner for Shopping.com ANZ, eBay's leading comparison-shopping network.
- Global Marketing Director, leading centralized search, social, CRM and community marketing for 5 countries.

ATHENA TECHNOLOGY VENTURES (Early Stage VC Firm)
